Chief, [redacted]

Josef [redacted]

REFERENCE: [redacted]

1. [redacted] Base files have no traces on Josef [redacted] nor can anything be dug up on Xarter [redacted], his [redacted] contact. However, Josef [redacted] with whom he is also alleged to be in contact, is engaged in illegal currency trading in Trieste (tetraethyl lead) under the name Walter [redacted]. Following are biographical data on the latter:

Walter [redacted], son of the late Henry, born 3 January 1921 in Prague, Romania; address: 10 via Cortese (and Cristoforo Zill), Trieste.

Base traces on Roland [redacted] are merely an amplification of the information contained in cover sheet of reference.

2. Para. 8 of reference refers to the "Italian Communist transportation firm SILEX." This is erroneous. Either the source has confused SILEX with [redacted] (which is Italian Communist-controlled) or has made the common error of labelling "communist" any Italian firm handling legitimate shipping behind the curtain. You might wish to make this correction in your files.
